

MAY 13-19:

THIS WEEK WAS DISTINGUISHED BY A  
MAJOR STORM ON MAY 14, WHICH CREATED  
A SMALL TORNADO OVER THE YOUYANGS

Monday May 14 around 3pm

OVERALL THERE WAS A NICE MIXTURE  
OF COLOURFUL SUNRISES,  
GREY RAIN-LADEN CLOUDS,  
AND THE HAPPY REHABILITATION  
OF THE FLAG THE WIND HAD RIPPED.
